

Transported Cooled Shipped Semen

Two Shipping Option:

1. FedEx: \$250 which includes the collection fee and Fed Ex shipping cost. Shipment must be paid a minimum of 2 days before any cooled semen will be shipped or same day with a Credit Card.
Or
2. Counter To Counter: \$425, which includes the collection fee, courier fee and air cargo fee. Must be paid a minimum of 2 days before any cooled semen will be shipped or same day with a Credit Card.

Mare owner or veterinarian must request semen by 5:00p.m. Eastern Time, the day proceeding collection. Cancellation must be made by 7:30a.m. Collection day. If federal express is not available with this 24-hour period, additional notice will be required. Mare owner should check with federal express/Ups for weekend delivery availability.

Collection Days: February ODD- March ODD – April EVEN – May EVEN – June ODD – July ODD

Note: We will do everything we can to send you semen but no guarantee is made as to availability of semen for shipment on any given day. Mares on the ranch will receive priority, and then shipped semen mares.

Mare owner must provide information on the mare's cycle and ovulation, as well as confirmation of pregnancy by ultrasound starting at 14 days post ovulation following thru to 45 days of pregnancy. Failure to do so will void live foal guarantee.

Sunny Pines Farm is not responsible for the untimely delivery or condition of the cooled shipped semen, as we have no control of the shipment after it leaves our custody. Please notify us IMMEDIATELY if you have any problems with a shipment, as we may be able to help you.
